Prayer:

God of compassion, please be with all those affected by Hurricane Matthew, especially our sisters and brothers in Haiti. May we not only offer our prayers, but also find ways to support, encourage and care for them. Through Jesus Christ, our Savior and Strength. Amen.

Almighty God, by the power of the Spirit you have knit your servants: Craig Wentland, Richard Reimer, Jason Anderson, Margaret Propp, Lisa Waites, and Erin Phillips, into the one body of your Son, Jesus Christ. Look with favor upon them in their commitment to service in Christ’s name. Give them Courage, patience, and vision;

and strengthen us all in our Christian vocation of witness to the world and service to others; through Jesus Christ our Lord. Amen.

Today we acknowledge **World Food Day**. It was established in 1945 by the UN to increase awareness of world hunger and food security and to inspire solutions for world change. As God's people the harvest season calls us to focus on God's provision of food for all, while at the same time remembering that not everyone enjoys access to the abundance the earth provides.
