Due to the recent break-in, locks have been changed and a minimum number of temporary keys have been distributed. The risk management committee continues to research the previously determined need for a revised security and access protocol. Please contact Bob Montgomery, Cliff Blumhagen, Ken Farn or Nick Perchthaler with your suggestions.

Please advise the office if you have lost an orthodontic retainer.

Today:

The **Call Committee** wants to hear your thoughts and experiences today after each service. Today's focus is: **Reflect on your entire experience with Lutheran Church of Our Saviour. Recall a time when you felt most alive, most engaged, spiritually touched and/or most excited about your involvement. What about it was so powerful for you?** This listening exercise will take place around the tables in the Fellowship Hall. Everyone welcome.

Falling Upward Two NEW small groups focusing on "Falling Upward" by Rev. Richard Rohr are starting on September 26, one from 10:00 am - noon and another group from 7:00 - 9:00 pm. "Most of us tend to think of the second half of life as largely about getting old, dealing with health issues, and letting go of life, but the whole thesis of this book is exactly the opposite. What looks like falling down can largely be experienced as "falling upward." In fact, it is not a loss but somehow actually a gain, as we have all seen with elders who have come to their fullness." Books and sign up available in the foyer.

The Divine Renovation This new small group will be looking at Father James Mallon's book Divine Renovation: From Maintenance to a Missional Parish starting October 3 at 7:00 pm. All are welcome to join as we "go further and embrace" our mission. Sign up with Jesse to get your copy of the book!

If you are interested in registering for the **Standard First Aid Course**, which will be held here this Tuesday, September 24, please speak to Les Walker.

Anyone who wants to **work with vulnerable persons** is required to agree to the policy (available in the foyer) which includes a police check. Please sign up for a letter to take to the police department.

Are you the one? There is an urgent need for **trained and certified food handlers** when the kitchen is used to prepare food. The training session is available in person or online and is available at no cost to the participants. Please contact the office for more details.

Are you creative and have an artistic eye? There is an opening for volunteers to **decorate the Sanctuary** for Thanksgiving, Reformation Sunday, Advent, Christmas, Holy Week and Easter. Please contact Pastor Julianne 403-464-8254 if this is one of your interests.

A Very Special Opportunity A Canadian couple who has been working in Asia for the past 18 years will be giving a presentation at Advent Lutheran Church, Nose Hill Drive & Scenic Acres Gate NW, on Friday, October 4 at 8:00 pm. Come and hear the story of how God is working in their lives.

SWARM: We are Lutherans (and non Lutherans) from all of the churches in the Southwest Area of the Synod. Our current Fundraising Mission is to provide housing for two new families. We are hoping to raise funds to continue to assist each family with housing/utility costs for a year so they can study English and find work. That is \$2,000/month or \$24,000/year. Donations can be made out to your own congregation and designated to SWARM or made to Lutheran Church of Our Saviour directly, again designated to SWARM. Our Core Committee meets at First Lutheran Church on the second Monday of every month and anyone is welcome anytime!
