

At our last youth event, our group gathered together to make a commitment for this year. The following was written and signed by our youth, which was an awesome moment!

'We commit to talking and sharing with each other, to strengthening and growing in our relationships with one another and to loving each other unconditionally, no matter what. We commit to getting to deeply know each person in our group and to comforting each other in times of need. We commit to sending a thoughtful gift or note to each person in our group by the end of the year.'

Good morning, God

The sun is up and so are we, all set to start the day.
 We're wide awake and ready now. Will You please show the way?
 You've kept us safe the whole night through. Please guide us all day long.
 Give us a smile for everyone, a word of cheer, a song.
 Is there a job for us to do, a special task, a test.
 With help from You we hope we too, can make this day our best.
 Good morning sun, good morning sky. We greet you with a nod.
 This day will be our special day. A good, good morning, God.
