

The Calgary Alliance for the Common Good (LCOS is a member) is actively involved in the #KeepCalgaryStrong campaign. #KeepCalgaryStrong is a growing coalition that supports the principle set out by City Council: cuts in the operating budget should do the least harm to Calgary's most vulnerable and poor. #KeepCalgaryStrong is asking that current Calgary transit services and fare structure be maintained, and proposed cuts to libraries, affordable housing, community social workers and supports for the disabled be reconsidered.
